## **REPORT ON CAREER COUNSELLING**

### **1. Introduction**

Career counseling is an integral part of student support services in Government Autonomous College, Angul. It aligns with the institution's vision to empower students with the skills, knowledge, and guidance required to make informed career choices and achieve professional success.

### **2. Objectives of Career Counseling**

- ❖ To assist students in identifying their career interests, strengths, and areas of improvement.
- ❖ To provide personalized guidance on career planning and decision-making.
- ❖ To prepare students for employment through skill enhancement programs, workshops, and training.
- ❖ To connect students with industry experts and recruiters for better placement opportunities.

### **3. Activities and Initiatives**

This institution has established a Career Counselling and Placement Cell (CCPC), which is responsible for planning and executing career related activities. The cell comprises faculty mentors and industry advisors who work collaboratively to support students. The institution offers a range of career counseling programs designed to cater to the diverse needs of students such as, Career Counseling Sessions, Seminars and webinars, career fairs where students interact with industry representatives and learn about job opportunities, skill development programme, technical skills to enhance employability, public outreach programme, awareness camps, boot camps, walk-in- interviews etc.

The followings career counselling programmes were held in our institution during the last five years.

### Outcomes

The outcomes of the career counseling has a significant impact on our students and institution. Here are some key outcomes:

- Improved academic performance
- Career clarity and guidance
- Skill development of our students
- Industry connection
- Entrepreneurship and self-employment opportunities
- Increased placement rates,

Also, career counseling helps students build confidence receiving continuous guidance on options available, increasing their chances of a smoother transition after graduation.

The institution remains committed to provide robust career counseling services to bridge the gap between academia and job market. Through sustained efforts, we aim to empower students to make confident career decisions and contribute meaningfully to the society.
