- * 26 out of the 29 students passed their MCOM examination. (89.66%)
- * 16 out of 17 students passed their IMBA examination. (94.12%)

* 32 out of 32 students passed their MBA examination. (100%)

Observation of the committee

- * Overall pass percentage was not satisfactory.
- * HODs of the departments where less than 80% students have passed will be requested to take all possible measures to increase the pass percentage.
- * The committee congratulates the toppers of various departments.
 - * Due to Covid-19 pandemic, the college had to be closed down for a long period. Besides, classes were taken on-line. There was also a certain degree of uncertainty as to whether the examination will be conducted on-line or off-line. All this confusion might have led to the poor performance of students in the examination.
- * Like the previous year, this time 92 students have qualified to join PG/MBA/BED programmes conducted by different institutes.
- * HODs of the departments where less than 60% of the students have passed are requested to take greater care of the students for improvement in performance.
- * 785 students received scholarships from the Government. The scholarship amount was directly transferred into the accounts of the beneficiaries.
