DISTINCTIVENESS

Government Autonomous College, Angul is centrally located in the district of Angul, which is like a bridge between the western and the coastal halves of the state of Odisha. The place is well connected to the rest of the state by road, rail and air. Rich cultural heritage, cosmopolitan approach, different temples, natural beauty, dense forests and availability of natural resources make this place unique.

This HEI stands out for several key reasons that make it distinct:

1. Resourceful Faculty: Being a government college, this college has typically talented, experienced and qualified faculty members as they are selected through Odisha Public Service Commission. The Faculty members of this HEI focus on teaching and academic development along with research, in pursuit of academic excellence.

To its credit, 34 faculties of a total of 83 of this HEI are Ph.D,D.Sc and D.Litt degree holders, which amounts to 40 percentage of the total faculties.

Four faculty members of this HEI have their Post Doctoral Degrees abroad; Dr.Satya Narayan Tripathy, Assistant Professor in Physics from Poland, Dr. Anasuya Mishra, Assistant Professor in Chemistry from United Kingdom, Dr. Laxminarayan Nanda, Assistant Professor in Chemistry from USA and Dr. Smita Tapaswini, Assistant Professor in Mathematics from China.

Three faculty members have the rare distinction of being Patent Holders; Dr. Satya Narayan Tripathy, Assistant Professor in Physics for 5G Communication, Dr. Laxminarayan Nanda, Assistant Professor in Chemistry for Methods and molecules to treat pancreatic cancer and Mr. Sandip Rout, Assistant Professor in Mathematics for AI based Lung Cancer Detection Device.

Five faculties of this HEI have the distinction of being registered Research Guides and 05 students have registered under them as research scholars for Ph.D degrees.

Our faculties have authored 26 books and published as many as 68 research articles in reputed SCI & SCOPUS journals. They have also worked on Government Projects-Physics 02-OURIIP-01,MRIP-02,UGC-Minor-01.

This HEI has signed MoUs with institutions of repute for academic exchanges that benefit the students hugely.

Continuing with our focus on encouraging research activities, we have received 24 lakh rupees as research funding.

2. Academic Excellence: Known for its enviable academic reputation, the college offers a wide range of undergraduate and postgraduate programs across disciplines like Arts, Science, Commerce, as well as Professional and technical courses. It has a dedicated faculty that strives to provide quality education and foster an environment conducive to academic growth.

3. Strategic Location: Industrial hub with ample opportunities for employment-The district of Angul is centrally located and is a prominent industrial hub in Odisha. Due to its strategic location this HEI caters to the needs of students from both urban and rural backgrounds. This geographical advantage helps students connect with various industries for internships, training and job opportunities.

4. Green campus: Another distinctive feature of this college is its 40 acres of lush green campus rich in rare flora and fauna, a wonder and an attraction for researchers. Additionally, the college is proud of its eco-friendly environment.

5. Infrastructure: The College boasts a well-developed campus with modern amenities, including spacious classrooms, well-equipped Academic/research laboratories.

6. Library: We are proud of possessing an accessible, enriching and resourceful library with an extensive collection of rare books that caters to the needs of students.

9. Focus on Research and Development: Being an autonomous institution, the college fosters research and innovation. It promotes student participation in research projects and aims to build a culture of academic curiosity and creativity.

10. Programmes Offered-This HEI being a premier institution of Higher education offers a variety of programmes for students to choose from. There are as many as 20 Under Graduate programmes and 17 Post graduate programmes.

11. Vibrant Youth Services: The vibrant youth services wings of this college ,NCC,NSS,Youth Red Cross and Rovers & Rangers with year long activities make this college proud.

12. Best Practices: To maintain exemplary discipline in the campus,to ensure a ragging-free campus for students, to provide an ideal, safe and happy campus to all stakeholders, to instil moral and ethical values in students to inculcate the virtue of mutual fellow feeling in the students, to encourage students to adhere to rules and regulations, fostering a sense of responsibility and to create a disciplined environment conducive to learning and overall development this HEI has been meticulously focusing on the best practices like squading and Green campus initiatives.

13. Extension activities through outreach programmes:-

With the mission to serve the public good by transforming our students into human beings with a remarkable sense of social commitment and accountability, this college, through its youth services wings, has taken up various extension activities through outreach programmes.The college is actively involved in social initiatives, working to improve the local community's well-being. Students are encouraged to participate in outreach programs, environmental conservation projects, and social welfare activities.
